

Abalone

The Abalone has an easy to use inward opening door, and simple latch lock for easy operation. A stylish bath that lends itself to modern and more traditional bathrooms

The Abalone is based on the Avrail walk-in bath and features an inward opening toughened glass door for a stylish design finish.

Dual wastes and a lever operated door enhance the practicality of the bath.

Optional extras such as an air spa and under water light allow you to add luxury features as desired.
